WE NEED YOU

**To Renew Your *LIFE NEWS* (mailed) Subscription
and your *LIFE NEWS* (E-mailed) Subscription!**

Long Island Coalition for Life, entering our 42st year, remains committed to action, service and information. Our primary tool, *LIFE NEWS*, available by mail, e-mail or for all to read on our LICL website ProLifeLI.org, relies on your support via your annual subscription renewal of \$18.00.

Did you know the Long Island Coalition for Life is the largest pro-life organization on Long Island? And as you see by our Mission Statement, we are dedicated to “protect innocent human life from fertilization to natural death through education, legislative action, prayer and peaceful presence.” Please consider joining us in our efforts to save lives. There is always something everyone can do. Go to our website for more information and how to get involved.

Long Island Coalition for Life remains an all volunteer organization. Please use the coupon on Page 7 to renew your *LIFE NEWS* subscription. Check the boxes to receive *LIFE NEWS* by postal mail, by e-mail, to say you cannot donate at this time but wish to continue receiving *LIFE NEWS*, to volunteer, to make an additional donation, and to tell us which *LIFE NEWS* articles are most helpful to you.

Thank you for your continued support!

PS. Please also support our advertisers. Their ads help to pay for LIFE NEWS.

Dear Fellow Defender of Life,

As you can readily see by the cover of this issue, we are making our annual appeal for your support of *Life News*. Many of you are long-time supporters and we appreciate your continuing support. Please keep it up. Some of you are readers we have recently added to our mailing list due to past or current involvement in pro-life activities. We especially hope that those of you who have recently been added appreciate the wealth of pro-life information, especially that concerning activities here on Long Island, contained in *Life News*. Please give us a try for a year by subscribing so we can continue to keep you informed. Long Island Coalition for Life continues to be an all volunteer organization.

Life News is the most expensive continuing project of your Long Island Coalition for Life, bringing the pro-life message to thousands of Long Islanders each month. It is our vehicle for informing not only active pro-lifers but also those who have influence in our society and can use that influence to promote protection for innocent human life. Media persons, educators, clergy of all denominations, legislators and political figures at all levels of government receive free copies of *Life News*. We also distribute over nine hundred copies of *Life News* each month, upon request, to numerous groups and churches.

Thanks to our loyal advertisers and subscribers, much of the cost of *Life News* is offset but the remainder must be made up out of general funds. Those same general funds are also needed to pay for our lobbying bus trips to Albany each year where we lobby for the pro-life cause.

We are dependent on you, our loyal readers and contributors, to keep up our life-affirming work, key to which is *Life News*. But far more importantly, the defenseless innocent preborn babies in the womb are dependent on you. The fight for the unborn is the greatest human rights struggle of our time.

In the New York State Senate, we are only a few votes away from passing an abortion expansion bill which would create a fundamental right to abortion through all nine months of pregnancy as well as threaten conscience protections for our medical professionals. Your continuing support is crucial if we are to stop such barbaric anti-life laws as well as support pro-life laws.

Please at least make the \$18.00 subscription donation. If possible, send a bit more to help us close the funding gap. If you are a business person or professional, please advertise in *Life News*. That way you can support pro-life activity on Long Island with a legitimately deductible business expense. If you've been thinking of subscribing or taking an ad, now's the time.....Please don't wait any longer.

Thank you for your support of pro-life work on Long Island and for your prayers which are just as important.

For His innocents,

George E. Frost, Chairman

P.S. Please use the coupon on page 7, check off your choices and return to us in the enclosed postage-paid envelope **as soon as you can**. You can also use the coupon for gift subscriptions.

More than 100 pro-lifers lined the ¼ mile of sidewalk in front of Nassau University Medical Center on Good Friday. It was a peaceful, powerful message remembering the unborn babies whose lives were sacrificed by abortion at that hospital and elsewhere on Long Island. While some drivers didn't appreciate our witness, many others enthusiastically supported our presence. Thank you to all those who participate in these events.

VISIBILITY MATTERS!

Planned Parenthood of Nassau County held a fundraiser at the restaurant in Bethpage State Park on 4/25/14. The LI Coalition for Life's Unmasking Planned Parenthood event was held to remind the abortion advocates where their money goes - to help kill unborn babies. 21 pro-lifers held signs viewed not only by those going to the fundraiser, but by many golfers as well. Good opportunity to show the truth and educate!

VISIBILITY MATTERS!

FEDERAL LEGISLATION

In recent decades, the US Supreme Court has been releasing its decisions on the most contentious cases in (late) June. This year, pro-lifers await rulings in four cases.

They are:

- *McCullen v. Coakley* challenges a MA law which sets a 35 foot "bubble zone" around abortion facilities.

- *Susan B. Anthony List, et al., v. Driehaus, et al.* SBA said ObamaCare pays for abortions, and was charged under the Ohio False Statement (campaign) Law.

♦ *Conestoga Wood Specialties Corp. v. Sebelius* and *Sebelius v. Hobby Lobby*. The HHS Department says most employer provided Health Insurance must cover contraceptives, sterilization and possible abortifacients. Both companies seek a conscience rights exemption.

No cases of religious groups vs the HHS Mandate have gotten to the Supreme Court. One such case working its way through lower courts is *Catholic Archdiocese of NY v. Sebelius*. Rockville Centre Diocese is part of this case.

Latest action - The federal government has challenged Judge Cogan's injunction protecting the Archdiocese from HHS Mandate.

Note: The LICL objects to Obamacare because of the parts in it that include abortion coverage at taxpayer expense, abortifacient contraception coverage at taxpayer expense, and direct or implicit limiting of care to vulnerable populations such as sick newborns and terminally ill.

The American Family Assoc. released the following on 4/4/14: "...the IRS...put off implementing regulations proposed by the Obama administration that were intended to shut down distribution of voter guides and legislative scorecards, holding get-out-the-vote campaigns and even voter registration activities by...(tax exempt) groups...."

IRS Commissioner John Koskinen recently issued this Statement: "During the comment period, which ended in February, we received more than 150,000 comments. That's a record for an IRS rulemaking comment period.... It's going to take us a while to sort through all those comments, hold a public hearing, possibly re-propose a draft regulation and get more public comments...it is unlikely we will be able to complete this process before the end of the year."

On 4/16/14, *Washington Post* reported that Koskinen said the IRS will seek to clarify what "candidate -related political activity" means, so as to better regulate it.

ACTION ALERT: HR.863, a bill to study whether to create a 'National Women's History Museum', has not yet passed the House. It has a study board full of pro-abortionists. Tell your House member to vote *against* HR.863, unless it is amended to ban anti-life slanting of exhibits.

NEW YORK STATE LEGISLATION

Continue to watch and take every opportunity to Oppose Abortion Expansion (to make abortion legal in NYS through all nine months) which may come to a vote in the Senate at any time. As of 5/6/14 there has not been a vote on abortion expansion by the full Senate in 2014. The Assembly passed the Women's Equality Act (WEA) bill No. A.08070, by a vote of 88-43 on 1/27/14.

All NYS pro-life groups are on guard and working to stop abortion expansion as part of Gov. Cuomo's 10-point "Women's Equality Act" or as standalone legislation. On 4/7, the NYSRTL Committee, Inc. cautioned: "Unlike last year, the battle is being conducted quietly. It appears Gov. Cuomo does not want a lot of attention to this issue because this is an election year."

Pro-life won a small victory on 5/6/14 when the Senate Health Committee voted to prevent S.438, the extreme abortion bill introduced in 2013 by Sen. Stewart-Cousins, from moving to the full Senate. Thank you to all who contacted Senators to oppose. Health Committee members voting pro-life are Senators Ball, Farley, Golden, Hannon, Larkin, Martins, Seward and Young.

LICL's 2014 Petition Drive to Oppose Abortion Expansion is ongoing but please send full or partly filled forms ASAP to LICL P.O. Box 247, Old Bethpage, NY 11804 to be delivered to Senate leaders. Blank petition forms are available at www.ProLifeLI.org by calling 631-243-1435.

ACTION: Visit or contact Senators. Urge he/she oppose abortion expansion in NYS as part of the 10-point "Women's Equality Act" or as standalone legislation.

Commissioner Nirav Shah steps down. Criticism from pro-life groups has caused NYS Health Commissioner, Nirav Shah, to step down, after it was revealed that only 17 of NY's 225 abortion mills have been inspected over the last 13 years! Seems that keeping the abortion industry "healthy" was more of a priority than actual women's health.

Her topic will be "Protecting the dignity of your life in your legal documents." She will discuss the legal and ethical aspects of end-of-life decision-making based on real-life cases reviewed by courts and provide practical information on how to protect your legal right to ethical medical treatment in your advance directives. The meeting will be held at Joseph Barry K of C Council Hall, 45 Heitz Pl, Hicksville 11801.

Annual Oratory Contest

Bridget Kennedy, Nicholas DiBartolo and Timothy Burger
 The eleventh annual Pro-Life Oratory contest sponsored by the Long Island Coalition for Life was held at Kellenberg Memorial HS in Uniondale April 13. Nicholas Di Bartolo, a junior at Chaminade HS in Mineola, was the first place winner and the recipient of the \$500 prize. Nicholas will represent the Long Island region at the New York State Right to Life Oratory Contest held at St. Rose College in Albany on May 10. Bridget Kennedy, a junior at St. Pius V School in Melville, was the second place winner and the recipient of the \$300 prize. Timothy Burger, a junior at Chaminade HS, placed third, winning the \$150 prize. George Frost, Chairman of the LICL, Johanna Cervellino, a retired teacher from the Three Village SD and Eric Waxman, former principal of William Floyd HS served as judges. Because of the large number of students who entered the competition, a preliminary round was held to determine the six finalists. In addition to the winners, contestants were: Joseph Hinshaw, from Kellenberg HS, Angela Bogen and Eric Mihcek, both from St. Pius V School. These students accepted the challenge of articulating their pro-life views and all did so with great conviction.

Attention: Please note the following motion passed at the LICL General Meeting of 3/24/14.

"Any materials distributed at LICL environment controlled events must be approved by LICL Board in advance and this be posted in our Newsletter and on our website."

Cancellation of the Kiosk

Since 2009, the Long Island Coalition for Life Educational Trust has sponsored a 3D presentation of the development of the human being in the womb. Viewing the kiosk first in the Bay Shore Mall and then at the Sunrise Mall, thousands of Long Islanders had the opportunity to witness this awesome process. Our contract was recently terminated by the Westfield Corporation, parent company of both malls.

We trust that the powerful images on the screen were an educational, inspirational and life-affirming experience for many. We hope that, for others, it was a thought-provoking opportunity to re-examine their attitudes toward pre-born life.

The LICL Educational Trust thanks all those who supported this project.
